

# EVS - Enhanced Visibility System

The EVS warning beacon provides a unique attention grabbing flickering light that has been developed to prevent acclimatisation. This beacon is effective in signalling extremely hazardous situations where there is a need for immediate action.

## Technical Specification

Voltage	24Vdc
Current	150mA
Flash	EVS
Light Source	LED
Temperature	- 20°C to + 50°C
Protection	IP65
Construction	ABS, PC
Weight	0.29Kg
Colour	Black base
Lens Colour	Red

### Features

- Unique random flash pattern
- LED light source
- IP65 protection
- Locking lens

### Benefits

- Random flash has high attention grabbing properties
- Long life, low maintenance light source
- Suitable for external use
- Resists unauthorised access
