Increased Safety Glands, Stopping Plugs & Mounting Plates

Certification Information

Certification Number PTB99ATEX3101X M12-M16 Cable Glands
Certification Number PTB99ATEX3128X M20-M63 Cable Glands
Certification Number PTB99ATEX3130 -Stopping Plugs
Approved to Ex II 2GD EEx e II
Ingress Protection IP66
Ambient Temperature Range -20 up to +70 ºC -Cable Glands
Ambient Temperature Range -55 up to +55 ºC -Stopping Plugs

Features

Approved for gas applications
Glands & Stopping Plugs are manufactured from Polyamide
Glands are available in Black or Blue
Mounting Plates provide a quick and easy mounting solution
Equipment can be screwed or clipped on to mounting plates
No need for hot work permits or on-site fabrication
Mounting plate made from GRP with Stainless fixings
Suitable for pipe diameters 40-62mm and 41x41mm Unistrut
Wall and trellis mounting plates available.
