

## Type KES

Device and device location labelling

### PRODUCT INFORMATION

**KES** - for devices made by **Escha, Murrelektronik** and **Turck**.  
High-quality, halogen-free label plates to snap into devices.

The large printable area at the top allows room for individual project and component reference, dispensing with the need to organise additional systems.

### SPECIFICATIONS

- Polycarbonate (PC)
- 40 – 130 °C
- V0
- Labelling distribution boxes

**HF**

Type	Order No.	Colour	RAL equiv.	Label size * mm	Printable area * mm	No. characters/ lines	No. per frame	Base plate	Software Type	Pack qty.
KES 20x8	86421057	Red	2012	8.00 x 20.00	8.00 x 20.00	11 / 2	20	GP4	443	380

\* Specifications of the label size / printable area is shown in Width x Length.

### MATERIAL PROPERTIES

Polycarbonate (PC)

### THERMAL PROPERTIES

**Temperature / temperature range**  
-40 – 130 °C

### FIRE BEHAVIOUR

**Fire classification**  
V0

### GENERAL TECHNICAL DATA

Labelling distribution boxes

## Type KES

### TECHNICAL INFORMATION

**HF** Halogen-free

### INSTALLATION METHOD

 Snap-fit system

### LABELLING TECHNOLOGY

 Plotter

 Laser devices

 Inkjet

All details given in our sales material prospectuses and catalogues as well as the information available online are based on our current knowledge of the products described.

The electronic data and files made available by Murrplastik, particularly CAD files are based on our current knowledge of the product described.

A legally binding assurance of certain properties or the suitability for a certain purpose can not be determined from this information.

All information with respect to the chemical and physical properties of Murrplastik products as well as application advice given verbally, in writing or by tests, is given to the best of our knowledge.

This does not free the purchaser of carrying out their own inspections and tests in order to determine the suitability of a product for a specific purpose.

Murrplastik accepts no responsibility for the available information being up-to-date, correct or complete. Neither do we accept responsibility for the quality of this information.

Murrplastik accepts no liability for damage caused as a result of using our products.

Murrplastik reserves the right to make technical changes and improvements through constant further development of products and services.
